By the Assistant Chief, Audio Division:

1. The Audio Division has before it a petition for rule making filed on behalf of INDY LICO, Inc., licensee of Station WGRL(FM), Channel 230A, Noblesville, Indiana, and S.C.I. Broadcasting, Inc., licensee of Station WQKC(FM), Channel 229B, Seymour, Indiana ("Petitioners"),<sup>1</sup> proposing the substitution of Channel 230A for Channel 229B at Seymour, Indiana, and the reallocation of Channel 230A from Seymour to Sellersburg, Indiana, as the community's first local transmission service, and the modification of the license for Station WQKC(FM) to reflect the changes.<sup>2</sup>

2. Petitioners filed this proposal for reallocation in accordance with the provisions of Section 1.420(i) of the Commission's Rules, which permits the modification of a station's license to specify a new community of license while not affording other interested parties the opportunity to file competing expressions of interest in the proposed allotment.<sup>3</sup> In considering a reallocation proposal, we compare the existing allotment to the proposed allotment to determine whether the reallocation will result in a preferential arrangement of allotments. This determination is based upon the FM Allotment priorities.<sup>4</sup>

3. In support of the petition, Petitioners state that Channel 230A can be allotted at Sellersburg in accordance with Section 73.207(b) of the rules, and it will place a 70 dBu signal over the entire community from the proposed reference point. The allotment will provide the Sellersburg, 2000 U.S. Census population of 6,071 persons, with its first local aural transmission service, and will not

<sup>1</sup> Petitioners have the same parent corporation. In the event that Channel 229B is removed from Seymour, INDY LICO would be able to relocate the Station WGRL transmitter site.

<sup>2</sup> This proposal was originally filed as an amended petition at the deadline for counterproposals in MM Docket No. 01-143. That docket has been terminated, and this *Notice* is simultaneously initiated to consider the amended proposal as a new petition for rule making.

<sup>3</sup> See *Change of Community R&O*, 4 FCC Rcd 4870 (1989), *recon. granted in part*, 5 FCC Rcd 7094 (1990).

<sup>4</sup> See *Revision of FM Assignment Policies and Procedures*, 90 FCC2d 88, 91 (1988). The FM Allotment priorities are (1) First full-time aural service. (2) Second full-time aural service. (3) First local service. (4) Other public interest matters. [Co-equal weight is given to priorities (2) and (3)].

deprive Seymour, 2000 U.S. Census population of 18,101 persons, of its sole local aural transmission service. Stations WZZB(AM) and WJLR(FM) will remain licensed to Seymour. Petitioners also state that this proposal will eliminate the existing short spacings to Stations WMMG-FM, Channel 228A, Brandenburg, Kentucky, and WCFJ, Channel 229B, Miamisburg, Ohio. Finally, Petitioners claim that the Sellersburg relocation will permit them to serve an additional 893,620 listeners. The areas losing service will continue to be well served by more than five aural signals.

4. Petitioners also note that Sellersburg is within the Louisville, Kentucky, Urbanized Area. Petitioners provide a showing that Sellersburg is an independent community deserving of a first local service preference. This showing is based on the factors enumerated in *Faye and Richard Tuck*.<sup>5</sup> We seek comment on this showing.

5. We believe that this proposal warrants consideration because it could eliminate four short spacings, could provide a large community with its first local service, and could give an additional aural service to almost 900,000 persons. An engineering analysis shows that Channel 230A can be allotted at Sellersburg at a site 11.5 kilometers (7.1 miles) south of the community.<sup>6</sup>

6. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the communities listed below, to read as follows:

<u>Community</u>	<u>Present</u>	<u>Channel</u>	<u>Proposed</u>
Seymour, Indiana	229B		---
Sellersburg, Indiana	---		230A

7. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached *Appendix* and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the *Appendix* before a channel will be allotted.

8. Pursuant to Sections 1.415 and 1.419 of the Commission's Rules, interested parties may file comments or counterproposals on or before July 21, 2003, and reply comments on or before August 5, 2003, and are advised to read the *Appendix* for the proper procedures.
